ABOUT ME

I'm currently seeking full time software development opportunities. I'm passionate about technology and increasing my knowledge and skills of software development. I have 3+ years of experience working remote as a full-stack developer, working on a range of different applications and can speak many languages e.g. Javascript, Go, Python.

PROJECTS

[Coin Watch](#)

- A Next.js application that reads & display's cryptocurrency data from the CoinGecko API; styled with Tailwind CSS

[Coin Converter](#)

- A Next.js application that uses the CoinGecko API to fetch current cryptocurrency price data and converting the price into other currencies; styled with Tailwind CSS.

[Devfinder](#)

- A Next.js application that uses the Github API to fetch user profile information based on the username searched; styled with Tailwind CSS.
